

The Wilkins Group

Experienced Folder Gluer & Window Patching Machine Operators Required

Ken Wilkins Print Ltd is an independent family business with many of the major UK and European retailers as clients. It supplies retail packaging worldwide and has an excellent reputation for innovation, service and quality.

The ideal candidate will have experience of operating either a gluing machine or window patch machine within a print packaging environment and have a good eye for detail.

Operators will have experience of setting machines for various complex jobs. We operate on a 3 shift rotation & offer competitive rates of pay.

Please send your CV and covering letter to HR Department or email recruitment@wilkins.co.uk.
