

The Wilkins Group

LIGHTWEIGHT UNIVERSAL PROTECTIVE VISOR

PPE - PROTECTING • PEOPLE • EVERYDAY

**Our visor is a lightweight design that feels as if it is not on your face,
It protects the face and eyes from splashing or spraying.**

**The window is optically clear polyester for maximum visibility and allows
glasses and protective eye wear to be worn underneath.**

Made in the UK, we offer a very fast delivery.

**The shield/visor has an adjustable universal one size fits all
strap that locates around the back of the head.**

**It has an applied antimicrobial coating. This coating pro-actively reduces/disrupts the
growth of bacteria on treated surfaces and is proven to inhibit the growth of most types of
harmful bacteria.**

All for a cost of 75p per visor/shield plus VAT and P&P.

**Minimum order is 500 to any UK region, delivered ex-factory next day delivery (if ordered
before 12pm). The Wilkins Group can supply larger volumes of these visors, please contact
us for further details.**

To order, please visit www.wilkins.co.uk or call 0115 989 6000
